

APARTMENT MAINTENANCE TECHNICIAN

Cambridge Real Estate Services is in need of a Maintenance Technician to keep our apartment communities safe and beautiful year round. Our Maintenance staff are truly the backbone of our operation and are responsible for:

KEEPING OUR APARTMENT COMMUNITIES IN TIP-TOP SHAPE BY:

- Responding quickly to ongoing maintenance needs
- The detailed turning of apartments including, but not limited to: minor maintenance, drywall repair, painting and appliance maintenance
- Annual inspection and service of all units
- Participating in training seminars and workshops
- Committing to after-hours on-call duties on a rotating basis

KEEPING THE INTERIOR, EXTERIOR, AND COMMON AREAS IN PRESTINE CONDITION:

- This includes daily litter patrol of parking lots and all common areas and trash enclosures, pressure washing buildings and interior walkways and keeping laundry centers, community centers and offices neat and tidy. A strong focus on attention to detail is a plus.

SEASONAL DUTIES:

- Such as swimming pool/spa upkeep and minor landscaping (Spring/Summer), winterizing the property (Fall), and snow and ice response (Winter).

QUALIFICATIONS:

- Expect to be on your feet; walking, lifting, cleaning, and inspecting are all part of the job. *You must be able to lift up to 75 pounds, read and understand written instructions, complete reports, and be able to communicate well with our residents and co-workers.
- Must be able to pass a background and drug screening
