National Night Out never meant more to Fawnbrook than this year! NNO 2016 gave residents an opportunity to come together as a community, enjoy one another's company, and help show Twin Falls that Fawnbrook stands for community safety and awareness. We welcomed Officer Waite and his lieutenant to speak to residents. They shared information on safe driving, curfew, vehicle safety restraints, and home safety. Of course, kids were lined up to receive a police badge sticker. We invited our funny pest control exterminator to talk about bed bugs. FOUNTAIN PARK

Our event was successful! We ordered 40 pizzas and had cookies and bottled water for everyone at our picnic area, followed up with ice cream bars and ice cream sandwiches. Well over 100 residents attended. Something we added this year was a grand display of prizes that we awarded at 7:30pm, so most people hung around to see if they won! The prizes consisted of multiple sized containers filled with a wide variety of candies, large cups with straws filled with Kool Aid packets, and other miscellaneous summer type items. Everyone was so excited, it was great to see all the kids smiling faces (and adults). We even received thank you cards the next day. Calculations were perfect, not too much, not too little. The last piece of pizza was being eaten at about the time the event ended. It was perfect.

This year we have a community BBQ, including BBQ Tri-tip, mashed potatoes, homemade gravy, potato salad, fruit kabobs, green salad and a turkey. We started at 5:30pm and dinner concluded at 8:30pm. We had approximately 35 residents and guests participate. Our elderly residents had carnival games (a ring toss and bean bag toss game) and we did have some residents take photos. We are already talking about a theme and next years National Night Out. A few of us would like to plan farther in advance and have multiple services during our night.
