#### Birnam West / The Firs

Birnam West and The Firs celebrated National Night Out. Our local police and fire departments were unable to attend due to another National Night Out at the Beaverton Library, still everyone seemed to have a great time. We had hot dogs, cookies, chips, soda and water. We had a clown and face painter and, at the end of the night, raffled off prizes for the residents.

## Boulder Creek

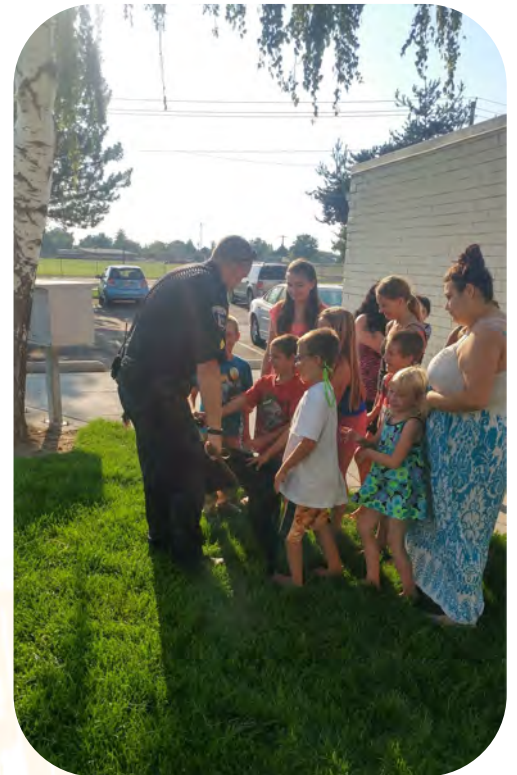

Maintenance made our carnival theme games. We had spin the wheel, the toilet toss game, bean bag toss and tic-tac-toe. We had prizes for the games and candy. All games were outside and inside the rec room we had face painting, hot dogs, chips, cookies, juice and water. We raffled 17 backpacks with school supplies. The Oroville Police Department came and gave stickers and let the children sit in the police car. We also took food donations for The Oroville Hope Center which has helped many of Boulder Creek residents throughout out the years. We also made a banner and put out front thanking the Fire Fighters for all their hard work. Oroville has been through a lot this year with the Dam crisis and fires being so close. So it nice to see everyone out and having a good time. Even our oldest resident of 96 years young came and played some games.

## Brent Arms

We held our National Night Out on Aug. 1st at 6pm for Brent Arms and Cole Manor. We invited two officers from the Payette Police Department to come join us for pizza, cookies and punch. The officers talked to us about crime and drug prevention and gave ideas on what do say and do if drugs were offered to us. We played "pin the tail on the donkey", number games, and had a raffle drawing. We all had a blast, and had about 25-30 people attend.

## Emerald Pointe / Alexan Park

We had a great turn out for 2017 National Night Out! We had pizza, chips, cake and popsicles and bubbles for everyone. ## Cherry Ridge

The 3<sup>rd</sup> Annual National Night Out at Cherry Ridge was a great success! As a theme, we decided on a pizza and ice cream social. The community enjoyed the presence of the Gresham Fire Department as well as the Multnomah County Sheriff's Department. We all shared a variety of pizza and enjoyed some strawberry ice cream. We did a raffle and had an assortment of prizes for the winners to choose from. For additional entertainment, we put on a cake walk—much like musical chairs but the winner got to choose a whole cake to take home! We were grateful for the high turnout and happy to serve the community at Cherry Ridge.

## Gladstone/Los Verdes/Monte Verde/Rocky Bluff/Oak Hill/Riverside Villa

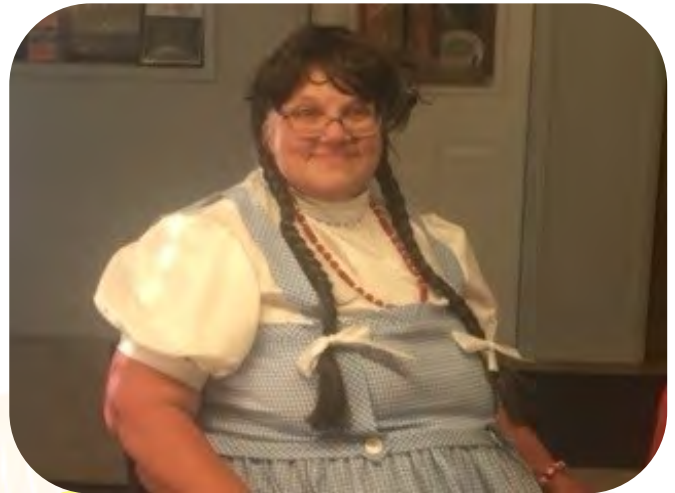

Our second Night Out Event was a success with about 25-30 people plus staff attending throughout the event. Way less than last year but I think it was due to the heat. It was melting our decor!! We had a Luau themed event with Limbo, Flamingo Ring Toss and Hula Hooping, and leis of course! We served BBQ pulled pork sliders, Hawaiian pasta salad, carrot raisin salad, s'mores on a stick, chips and Hawaiian punch. The police came and passed out stickers and coloring kits to the kids, and the fire department came in two separate trucks and gave the kids frisbees and stickers. The fire department gave the kids tours on the trucks and the kids loved it! They talked to the kids about fire safety. All in all it was a success. We had a large group from Oak Hills in attendance. It is great to get to mingle with residents and our local fire and police departments. It lets everyone see that we are human!! We are looking forward to next years event and are thankful that the owners allow us to participate in the event.

## Greenfield Village

We had a great National Night Out Party here at Greenfield Village Apartments! We had a wonderful BBQ chef that cooked us up some all beef hot dogs, and awesome burgers! We had a few side items to go with our BBQ dishes, and soda and lots of water! It was very HOT! But we beat the heat by swimming, and playing games that awarded some prizes for children and adults. We also had two people doing face painting the entire party, which was a huge hit! One of the highlights of the evening, was a musical presentation by one of our favorite valued tenants. She sang two songs for everyone, "Somewhere Over The Rainbow," and "Climb Every Mountain," as she was dressed up as Dorothy from The Wizard of Oz. It was awesome! Everyone loved it!! All in all, the evening was a ton of fun, everyone that came got to meet and talk with their neighbors, and get to know them a bit better. To top it all off, we brought out the ice cream and everyone got to finish off the evening with a sweet treat!! We did also invite the Tigard Police Department and Tigard Fire Department. They said they were going to try and get to everyone on their registered list, and it may have been a really long list, they just didn't get to us in time. Maybe next year! A big THANK YOU to Cambridge Real Estate Services for funding this great National Night Out Party 2017!! What a great opportunity to get outside, enjoy the weather and get to know your neighbors and first responders!!

## Orchard Village

National Night Out was a great success at Orchard Village. The night began with an explanation on the significance of the night and why we were gathering together as a community. At another area, children ran the snow cone machine and served a variety of flavors including blueberry, grape, and lime. If that wasn't sweet enough, there was also a small cookie bar. Residents enjoyed their meal with choice of dessert and then were able to pick out some cool items for Back to School. Items were purchased to help ease the burden of getting some of the long listed items for back to school students. Residents chose from folders, notebook, composition notebooks, pens, pencils, erasers, sharpeners, markers, colored pencils, pencil holders, dividers, and the works. Each person was able to go down the line and get items they needed in their bags. There were smiling faces throughout the community room, with those holding up their bags. The night continued when the fire and police department showed up to give the residents the opportunity to see what it is like inside their vehicles. Children were extremely excited about the police car action and posed for pictures behind the bars in the backseat. A special bicycle officer demonstrated his special items on his bike and passed out police badge stickers for all. The fire department came to support and also went inside to mingle. The children served the police and firemen snow cones and were extremely excited that they came. It was an awesome night.
