

RENT REMINDER!

Although the office will be closed on the 4th of July Holiday, we wish to remind you that your monthly rent payment is still due the 1st with a grace period until the 4th

We have a 24-hour drop box located near the front doors where payments may be dropped off at any time day or night.

July rent checks will be collected from the drop box prior to opening on July 5th and will be immediately brought to the bank. Any payments received after this time will be considered late.

Thank you! Have a safe holiday!
