

COORDINATE YOUR COMMUNITY CLEANUP!

APRIL 11—15TH

Site Management Staff,

We are hosting a company wide “Spring Clean-Up” for our residents this year. Each community will participate by providing drop boxes for our residents to use if they’d like to clean up their homes or to dispose of large items that would ordinarily not be allowed in the dumpster areas.

Attached you will find a brief half page flyer in both English and Spanish for you to distribute to your residents to communicate about the upcoming Spring Clean-Up. Below you will also find some guidelines when ordering and placing your boxes...

- Drop boxes should be **delivered on Thursday, April 11th and should remain in place until at least Monday, April 15th**
- Be aware of local fire codes as well as parking when arranging the location of your drop box.
- Your drop box should be 30 yards for every 75-100 units on your property. Please order accordingly.
- Drop boxes can be ordered from your local waste removal company. If they do not offer drop box services, they should be able to refer you to another company that does provide this service.
- Trash hauling is a very competitive industry and getting a few different bids is a great way to know if you are getting a reasonable price.

Keep in mind the layout of your property. If residents would be more likely to participate as a result of having a few, somewhat smaller drop boxes located throughout the property than one, larger inconveniently located drop box, give this some consideration.

Please contact your supervisor should you have any additional questions or need additional clarification.

Thank you all for your hard work,

The Central Office Team
